

Supervisor Account Registration

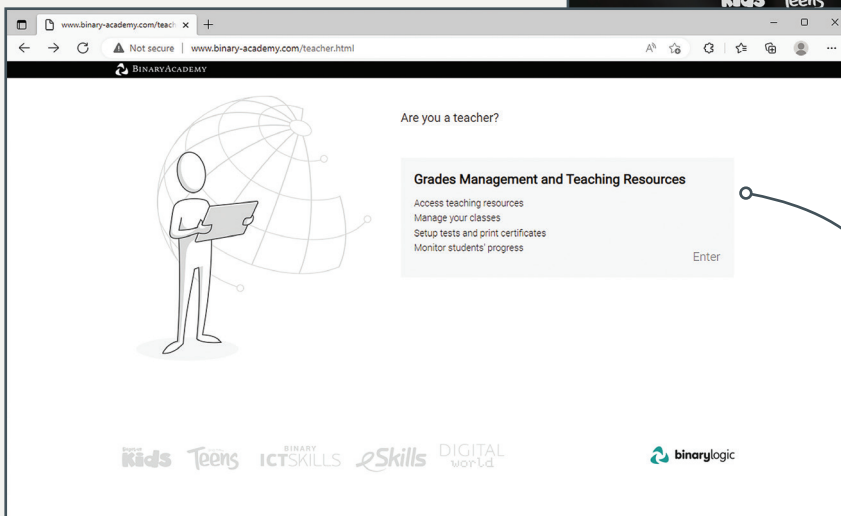

Instructions for Supervisors

1 Go to our website www.binary-academy.com, and click **Teacher**.

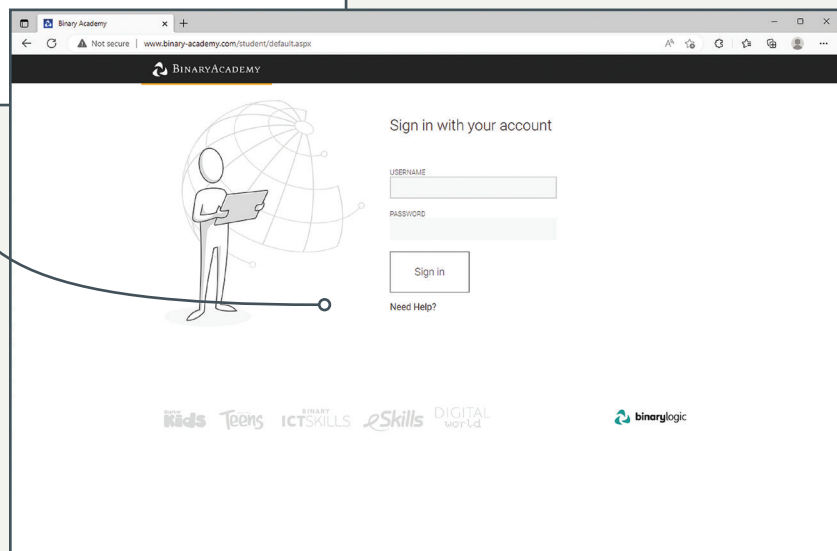

2 Click **Grades Management and Teaching Resources**.

Type the **Username** and **Password** we provided you.

3

If you are not a teacher in a school that uses our material or the school code and school name you entered during registration are wrong, your account will not have access to the online teaching resources.

If your information is correct but you don't have any access several days after you register, please send us an email at support@binarylogic.net with your personal details and your school information.

Add us to your Safe Senders list

To make sure that you receive the email messages you want from Binary Logic and Binary Academy, you should add us to your **Address Book** or your **Safe Senders** list. If your email program/service allows you to add an entire domain to the list of safe senders, add **binarylogic.net** and **binary-academy.com** domains. Otherwise, you will need to add addresses individually to the list of safe senders. Start with ict@binarylogic.net and support@binarylogic.net.
